# Tailored Programs for Your Career Path

At Tomorrow University, we believe your **education should reflect your unique passions and career goals**. While our programs have specific focuses and official titles, you can **fully personalize your learning path**. Whether you want to specialize deeply in one area or explore multiple fields, you have the freedom to choose what matters most to you. You'll graduate with a **recognized degree while shaping your expertise in the direction that fits your ambitions**. This is how it works:

**Create Your Path:** Choose Impact Certificates (elective modules) to focus on areas like sustainability, business, tech, AI, or leadership or combine all to shape a unique learning experience.

**Complete Flexibility:** Tailor your program to specialize in one area or explore multiple disciplines, all while earning a degree that reflects your personal goals.

**BACHELOR**  
OF ARTS

Undergraduate, 3 years

Create your path in:  
**Responsible Entrepreneurship & Management**

---

The BA program invites you to **explore the human side of change**. Dive into the **arts, humanities, and social sciences**, and discover how they intersect with business and technology to address global challenges. If you're passionate about creativity, culture, and social impact, this program will give you the freedom to think outside the box and **make a difference**.

**BACHELOR**  
OF SCIENCE

Undergraduate, 3 years

Create your path in:  
**Artificial Intelligence & Sustainable Technologies**

---

If you're someone who **thrives on data**, analysis, and problem-solving, this program offers the perfect mix of science and technology to shape the future. It's ideal for those **ready to dive deep into the technical side** of things and apply their learning to solve the world's most pressing challenges. Choose this program if you're excited about turning **knowledge into action** and pioneering solutions.

[Explore more](#)

**IMPACT MASTER**  
OF SCIENCE

Postgraduate, 2 years

Create your path in:  
**Sustainability, Innovation & Technology**

---

Ready to take your scientific curiosity to the next level? This program blends rigorous **academic exploration with hands-on learning**, empowering you to apply your knowledge to real-world challenges. Whether you want to push the boundaries of **technology, sustainability, or innovation**, this is the place to do it. Choose this program if you're excited about becoming a pioneer in your field.

## Partner Programs & Short Courses

Unlock unique opportunities with our partner programs, offering **specialized knowledge and globally recognized degrees**. Alternatively, dive deeper into specific areas with our **Impact Certificates (short courses)**, allowing you to specialize in fields like sustainability, business, or tech. Whether you're seeking a comprehensive degree or a focused certification, we provide **flexible paths to suit your career goals**.

### IMPACT MASTER OF SCIENCE

Postgraduate, 1.5 years

Create your path in:

**Sustainability, Innovation & Technology with Le Wagon**

This unique partnership combines the power of science with **the spirit of entrepreneurship**. As part of this program, you'll complete a **bootcamp** as an Impact Certificate, where you'll gain **hands-on experience in coding** and tech development. You'll not only dive into the technical side of the digital world but also learn how to turn your ideas into **actionable, game-changing ventures**. If you have the ambition to create something new and **make a difference**, this program is your launchpad.

### IMPACT CERTIFICATE

Flexible, 3-6 months

Short Programs with Big Impact

Perfect for those who want to specialize in **specific areas without committing to a full degree program**. These flexible courses let you focus on one particular topic or skill and gain immediate, **hands-on experience**. Impact Certificates (ICs) can sometimes be part of a degree program as elective modules, but you can also take them on their own to **deepen your expertise** in areas like sustainability, business, tech, or leadership. Want to make an impact right now? ICs allow you to choose **your adventure** and pursue your passion in a way that fits your lifestyle.

# Impact Certificates (ICs)

## YOUR PERSONALIZED LEARNING PATH

At Tomorrow University, we believe in giving you the **freedom to create an education as unique as you are**. Our Impact Certificates (ICs) are elective modules that allow you to fully **customize your learning journey**. You can choose from a range of ICs that align with your passions, career goals, and aspirations, creating a program that's tailored just for you.

If you already know the specialization or outcome you want to achieve, we can recommend a **specific combination** of ICs to help you get there. Whether you're focused on business, technology, sustainability, or any other field, you have the **power to design a personalized learning path** that equips you with the expertise you need. Here it's how it works:

### 01 Orientation Phase

Start by exploring the Tomorrow University mindset, defining your purpose, and setting your goals.

### 02 Calibration Phase

Choose from a range of Impact Certificates (ICs) to begin shaping your personalized education, selecting those that align with your interests and career path.

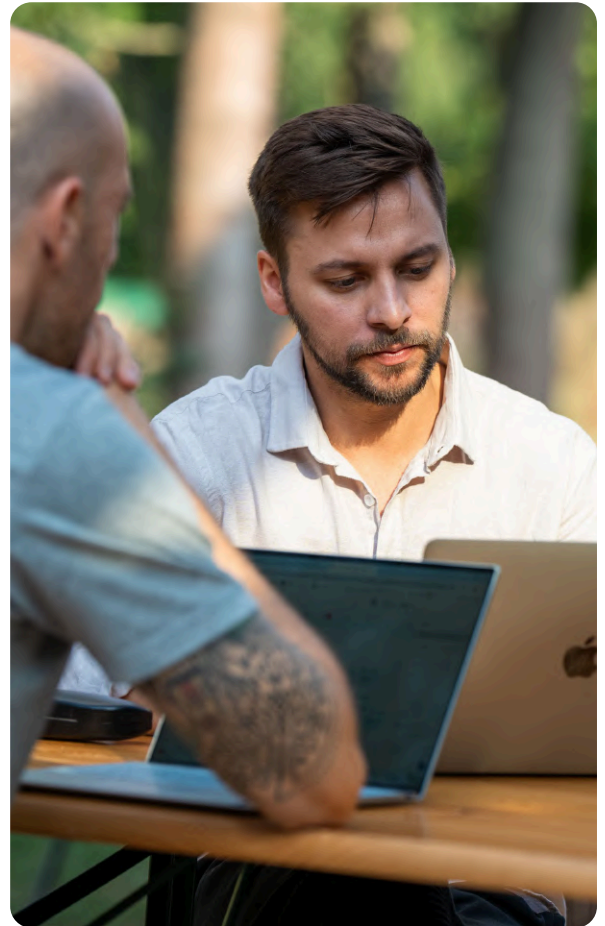

### 03 Elevation Phase

Dive deeper by taking on more complex challenges, applying your knowledge to real-world problems.

### 04 Activation Phase

Showcase your learning with a final project that reflects your journey and prepares you for the next chapter in your career.

At Tomorrow University, **you're in control**. Design your own program, select the ICs that excite you, and **build the future you want to create**.

## Flexible, Remote & Purpose-Driven Learning

**Flexible Learning:** 100% online courses designed to fit into your life, whether you're balancing a career, family, or other commitments.

# A Global, Impact-Driven Community

Tomorrow University isn't just about earning a degree—it's about joining a **global community of explorers, innovators, and changemakers**. Here, you'll be part of a movement that's transforming the world. You'll **connect with people who share your drive, your vision, and your determination to make a difference**.

Here's how our community supports your journey:

**Peer-to-peer learning** through virtual meetups and collaborative challenges.

**Networking events** to connect with industry leaders and pioneers who can help you elevate your journey.

**Team-based projects** that give you the chance to work alongside passionate individuals to solve real-world problems.

**Career and mentorship support** to help you navigate your path, grow professionally, and activate your career.

# City Hubs Across the Globe

# Take the Next Step

Tomorrow University equips you with the tools, knowledge, and network to create the future you want to see. This is more than education—it's your adventure, your mission, and your chance to lead in a rapidly changing world.
